

KUHLKEN - ÖSTERBERG

Kuhlken-Österberg is a pioneer wine in the Texas Wine Industry, being the first to be intentionally released on the allocated wine system utilized by many premier wineries around the world. Due to the small production of these wines, we have a limited amount of allocations available. To secure your allocation of this limited release wine, you are invited to join The Collector's Club by pre-purchasing the current vintage in barrel. With each allocation pre-purchase, you then have access to buy limited quantities of back vintages of Kuhlken-Österberg in bottle. Once you pre-purchase an allocation for this year's vintage of Kuhlken-Österberg, you will automatically be allocated for future vintages of the Kuhlken-Österberg wines.

Receiving your pre-purchased allocation

Each year, we will unveil a new vintage at the Kuhlken-Österberg Release Party. This event is an opportunity for existing members to pick up pre-purchased allocations. This Release Party could also feature tastings of previous vintages and the new future allocation.

If you choose to join this unique Collector's Club, you will be invited to this year's annual event where you may pick up your pre-purchased allocation. If you are unable to attend the event, we can ship your wines to you, or we can cellar them for you until you are able to come pick them up.

Collector's Club Benefits

First access to next year's allocation

Invitation to the Annual Release Party in October

Invitations to Vintner-led Vineyard Tours

Complimentary annual Barrel Tasting (by appointment only)

For full case allocation members - additional 10% discount on single bottle purchases

2021 KUHLKEN-ÖSTERBERG

Both in the vineyard and in the winter world, 2021 was a transition year from low activity to high activation, hence the red to green color scheme. After the freeze affected vintage of 2020, the vines in the High Plains struggled to find their stride, but ultimately came through with an excellent vintage. In Kuhlken Vineyards, 2021 was a year of replanting, replacing old diseased plants with fresh new ones. We celebrate this year of renewal with our 2021 K-O wine.

KUHLKEN - ÖSTERBERG

Terms and Conditions

General Description

You will receive one shipment per year in October. Pedernales Cellars reserves the right to change the annual release date if needed, however will notify all Collector's Club members of any changes in the release date.

Membership

Membership is open to individuals 21 years of age or older with a shipping address currently served by Pedernales Cellars. Membership benefits & obligations are personal and cannot be shared, transferred or extended to others.

Membership will be automatically renewed each year in October for the next allocation unless you notify us at the Release Party or via email prior to the Release Party that you wish to cancel.

Pricing

Collector's Club—Half Case Allocation 6 bottles, \$450

Collector's Club—Full Case Allocation 12 bottles, \$900

We reserve the right to change prices and shipping charges. We also reserve the right to change these Terms & Conditions; we undertake to give you 30 days notice of any changes.

Receiving Wine

You may pick up your wines at the winery on or after the Release Party. You may also choose to have them shipped. There is an additional charge for shipping. An adult signature is required to receive a shipment. If the shipment is returned to us because the carrier was not able to obtain an adult signature, we will reship and you will be responsible for additional shipping charges.

Substitutions

We regret that we are unable to honor requests for substitutions of wines.

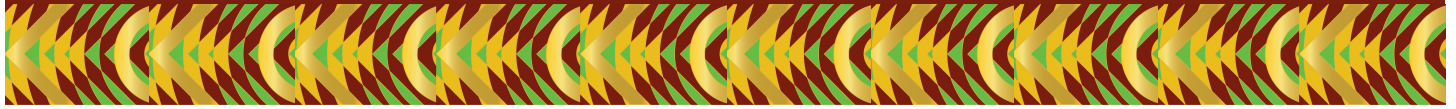

Cancellations

There is no long term contract. After the first allocation, you are free to cancel at any time. Cancellation requests must be sent via email to wineclub@pedernalescellars.com or by form at the Release Party. Pedernales Cellars reserves the right to cancel your membership if we, in our sole discretion, determine we are no longer able to adequately serve you. Reasons may include, but are not limited to, changing legislation that prevents us from shipping to your address, or if you fail to pay the membership charges in a timely manner.

Your Privacy

Pedernales Cellars is committed to protecting your personal data. We do not share, sell or loan any personal information with any other business or organizations, except as required by law or as required to fulfill our obligations to you e.g. (ship to address with an outside shipper to be able to send you wine).

KUHLKEN - ÖSTERBERG

2012 KUHLKEN-ÖSTERBERG

Composition: 76% Tinta Amarela, 24% Syrah
Vineyards: Kuhlken
Chemistry: pH: 3.69 TA: 5.85 ABV: 13.5
Aging: 18 months, New French and American Oak
Production: 83 cases

Collector's Label Story:

The K-Ö label design is inspired by early 20th century modernist exploration in form and color - Cubism, Fauvism, Orphism, etc. These were very aesthetic approaches to art that emphasized beautiful compositions and bold uses of color. Often abstract artists would make analogies between music and their art. For this reason, we think musical names are appropriate for the first 2 vintages. The 2012 Label reflects Beethoven's *Moonlight Sonata*.

2013 KUHLKEN-ÖSTERBERG

Composition: 30% Tinta Amarela, 30% Touriga Nacional, 15% Tempranillo, 25% Syrah
Vineyards: Kuhlken
Aging: 14 months, New French and American Oak
Chemistry: pH: 3.72 TA: 5.2 ABV: 14.6
Production: 83 cases

Collector's Label Story:

Building on the story behind the 2012 vintage, the musical inspiration behind the 2013 vintage is Stravinsky's *Firebird Suite*. The 2013 vintage was very difficult, but the Texas wine industry emerged from it even stronger.

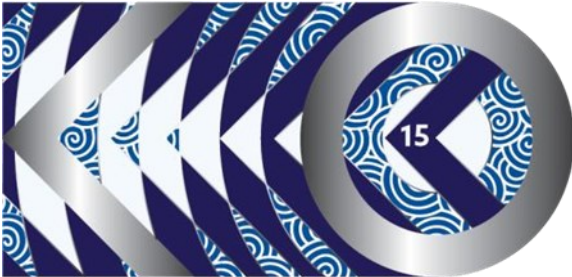

2014 KUHLKEN-ÖSTERBERG

Composition: 44% Cabernet Sauvignon, 22% Mourvedre, 22% Touriga Nacional, 6% Tinta Amarela, 6% Tinta Cão
Vineyards: Kuhlken & Newsom
Aging: 14 months, New French and American Oak
Chemistry: pH: 3.55 TA: 6.25 ABV: 14.0
Production: 105 cases

Collector's Label Story:

In 2014 the grapevines were still recovering from the difficult 2013 vintage and the flavors were very restrained. The wines from the 2014 vintage therefore took a long time to open up and show their full elegance. To reflect the vintage and color scheme, we have titled this Collector's Label as "The Little Black Dress."

KUHLKEN - ÖSTERBERG

2015 KUHLKEN-ÖSTERBERG

Composition: 40% Touriga Nacional, 40% Tinta Cão & Tinta Amarela, 20% Malbec
Vineyards: Kuhlken & Newsom
Aging: 14 months, New French and American Oak
Chemistry: pH: 3.55 TA: 6.7 ABV: 13.6
Production: 58 cases **(Sold Out)**

Collector's Label Story:

In 2015 we were celebrating the 20th anniversary of Kuhlken Vineyards. We were excited to include a pattern within the label to reflect the traditional 20th anniversary gift of China dishes. We were also inspired by the modern 20th anniversary gift of Platinum, so included the white and silver metallic notes. This Collector's Label is called "Celebrating 20 years of Grape Growing."

2016 KUHLKEN-ÖSTERBERG

Composition: 66% Touriga Nacional, 17% Tinta Amarela & Tinta Cão, 17% Graciano
Vineyards: Kuhlken & Lahey
Aging: 14 months, New French and American Oak
Chemistry: pH: 3.74 TA: 7.65 ABV: 12.7
Production: 133 cases

Collector's Label Story:

In 2016 we were celebrating the 30th anniversary of the Bell Mountain AVA. Bell Mountain was the first AVA designated in the state of Texas and covers over 3000 square acres. Kuhlken Vineyards is one of the few wineries growing grapes within this AVA. In honor of the 30th Anniversary, this is the "Diamond Anniversary" Collector's Label.

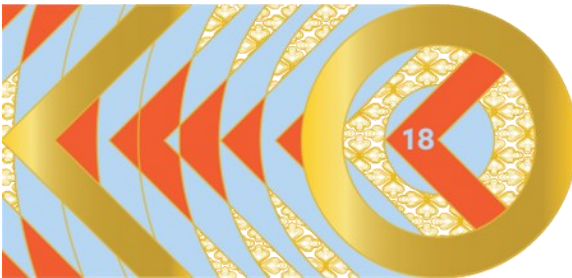

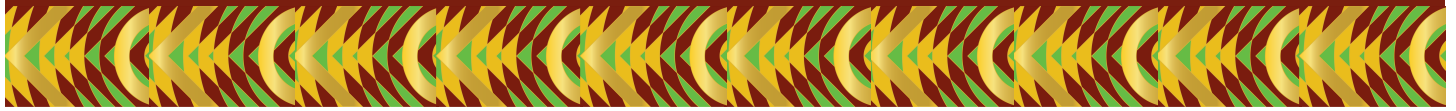

2017 KUHLKEN-ÖSTERBERG

Composition: 37% Touriga Nacional, 25% Alicante Bouschet, 25% Tinta Amarela, 13% Tinta Cão
Vineyards: Kuhlken & Lahey
Aging: 14 months, New & 2nd Use American Oak
Chemistry: pH: 3.75 TA: 7.5 ABV: 14.3
Production: 99 cases

Collector's Label Story:

In 2017, Texas experienced an incredible growing year. All of the conditions throughout the entire year created some of the best quality fruit we have seen to date. The colors in this Collector's Label reflect our nickname for this vintage, the "Fairy Tale Vintage."

KUHLKEN - ÖSTERBERG

2018 KUHLKEN-ÖSTERBERG

Composition: 25% Touriga Nacional, 25% Mourvèdre, 25% Grenache
25% Petit Sirah
Vineyards: Kuhlken & Farmhouse
Aging: 16 months, 50% New French and European Oak
Chemistry: pH: 3.50 TA: 6.7 ABV: 14.1
Production: 99 cases

Collector's Label Story:

This Collector's Label was designed to honor the Tasting Room's 10th Birthday celebrated in 2018. We take a great pride in our customer service and hospitality. The color in this label are bright and welcoming. The patterned background showcases beautiful flowers found in many hospitality spaces.

2019 KUHLKEN-ÖSTERBERG

Composition: 25% Touriga Nacional, 25% Tinta Cão, 25% Mourvèdre,
25% Petit Sirah
Vineyards: Kuhlken, Desert Willow, & Farmhouse
Aging: 21 months, New French and American Oak
Chemistry: pH: 3.82 TA: 6.0 ABV: 13.4
Production: 99 cases

Collector's Label Story:

Julie Kuhlken designed this Collector's Label to reflect the unique character of the 2019 vintage as one of the longest harvest seasons on record in Texas. Harvest started in July at the height of summer and ended in mid-October with an early fall freeze that signaled the onset of winter. This extended period of picking is reflected in the design that moves from green leafy forms to a cool, crystalline pattern.

2020 KUHLKEN-ÖSTERBERG

Composition: 56% Graciano, 44% Touriga Nacional
Vineyards: Lahey, Kuhlken
Aging: 61 months, New French and American Oak
Chemistry: pH: 3.69 TA: 5.85 ABV: 13.5
Production: 83 cases

Collector's Label Story:

For years Julie Kuhlken has wanted to design an all black label for the KO series, and then 2020 came around to provide the perfect year to do so. Not only did it mark the onset of the COVID epidemic and lockdowns that closed the tasting room for months, it was also one of the most challenging vintages in years in Texas. Due to an early fall freeze in 2019, dubbed the "Halloween Massacre," vines suffered severe damage to their 2020 buds. Very few white wines could be produced in 2020, and of the reds only a significantly reduced yield could be harvested. The good news is that the lower cropping allowed the vines to concentrate all of their energy and produce excellent and intense fruit.
